Faith's fields used to be dirt and dust.

Ongoing drought in Kenya meant next to nothing
grew. Hunger was a reality. But now Faith
grows crops that are lush and green thanks to a
nearby dam.

Her local community got together to build the
sand dam with your support.

This Lent, Together we stop this climate crisis.

Week 1 the theme is Awareness

Faith lives in Kenya with her husband Stephen and their children. Drought
turned her fields into dirt and dust. She said: "we did not even try to
farm because there was no water."

Give 20p for each tap in your home.

Leaflets with more information are on the table .

Lent and Easter Appeal

Help more women like Faith to fight for a green
future.

This weeks flowers are in Memory of Ron Burnett Feb 27th 2013
