DESIGN A WINDOW

Everyone knows our church by the big stained-glass window at the front.

This is our window; it shows the last supper which happened just before Easter.

Have you seen any other stained-glass windows around that tell stories?

The Church has a magazine called, Window on the Moor. A name that was chosen as it is often called the church with the big window.

Can you think of a story that you would like to tell by drawing a stained-glass window?

It could be something you have seen whilst walking around where you live whilst you haven't been in school.

It could be something that you have done at home.

Or

It could be something you remember doing a long time ago.

There are some templates you can use to colour in attached.

On Thursday at Zoom Messy Church, you can share your story and window.

If you can send your pictures to office@heatonmoorunitedchurch.org.uk

**Maybe your window could be the next cover of
Window on the Moor!**
