Dementia Friendly

Heatons 

Giant Easter Egg Raffle Thank you to everyone who bought raffle tickets or made a donation to our justgiving page. The raffle was drawn at our Dementia Friendly Service on Tuesday and it was great to have some winners in the room.

The giant egg was won by church member Katie and she has generously asked if she can share it at open church next week – we of course said YES!

The total we have raised is £945 – just a little short of our £1000 target – so we are keeping the justgiving page open for another week to see if we can get to our target!

Have you seen our new donation bin?

AGAINST BREAST CANCER

Against Breast Cancer ('ABC') is a charity doing research into secondary spread breast cancer. To help fund this research, they have a link to a recycling company, who collect unwanted, but wearable bras from community groups, organisations and shops etc. throughout the country. The bras are shipped abroad to Africa and other developing countries, where bras remain expensive to produce locally and prove too expensive to purchase. These recycled bras are sold at affordable prices to local women, allowing them to retain their dignity.

The recycling company pay 'Against Breast Cancer' 70p per kilo of bras. Although not sounding a lot, the sheer volume of bras makes a significant difference to research funding.

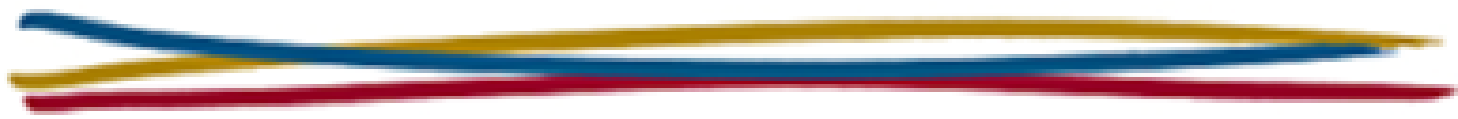

So, if you have any unwanted but wearable bras (i.e., not damaged)

PLEASE PLACE THEM IN THIS BIN

They can be of any kind: underwired or not, crop top, teenage, maternity or even mastectomy and of any size and any colour, even if they have gone a bit grey in the wash. They will all be appreciated!

This charity is supported by: **SOROPTIMIST INTERNATIONAL OF STOCKPORT & DISTRICT**
